Hi Ramya,

Good day!

I am writing to tender my resignation from my position of RPA Developer at AGS INFOTECH, as per discussion my last day of employment being 04/03/2022.

Thank you for all the opportunities you have provided me over the years. I have enjoyed my time working for this company and have learned so much. I am also grateful for your kindness and encouragement as well as the kindness of my colleagues.

Over the next 04/03/2022, I will complete all my projects and make myself available to train replacement for my duties. Please let me know if I can do anything to help make this transition easier.

Thank you,
Anil Kumar S
